

Our platform cooperative is governed by the teachers in our worker owned cooperative.

We collaborate to restore the Internet as a Public Commons.

The logo features two green house outlines with yellow Wi-Fi signal waves above them.

# BROADBAND INSTITUTE FOUNDATION

Our platform has integrated best of breed products within the WordPress platform.

The LearnDash logo features the word 'Learn' in a blue, lowercase, sans-serif font, followed by 'Dash' in a white, uppercase, sans-serif font inside a blue rounded square.

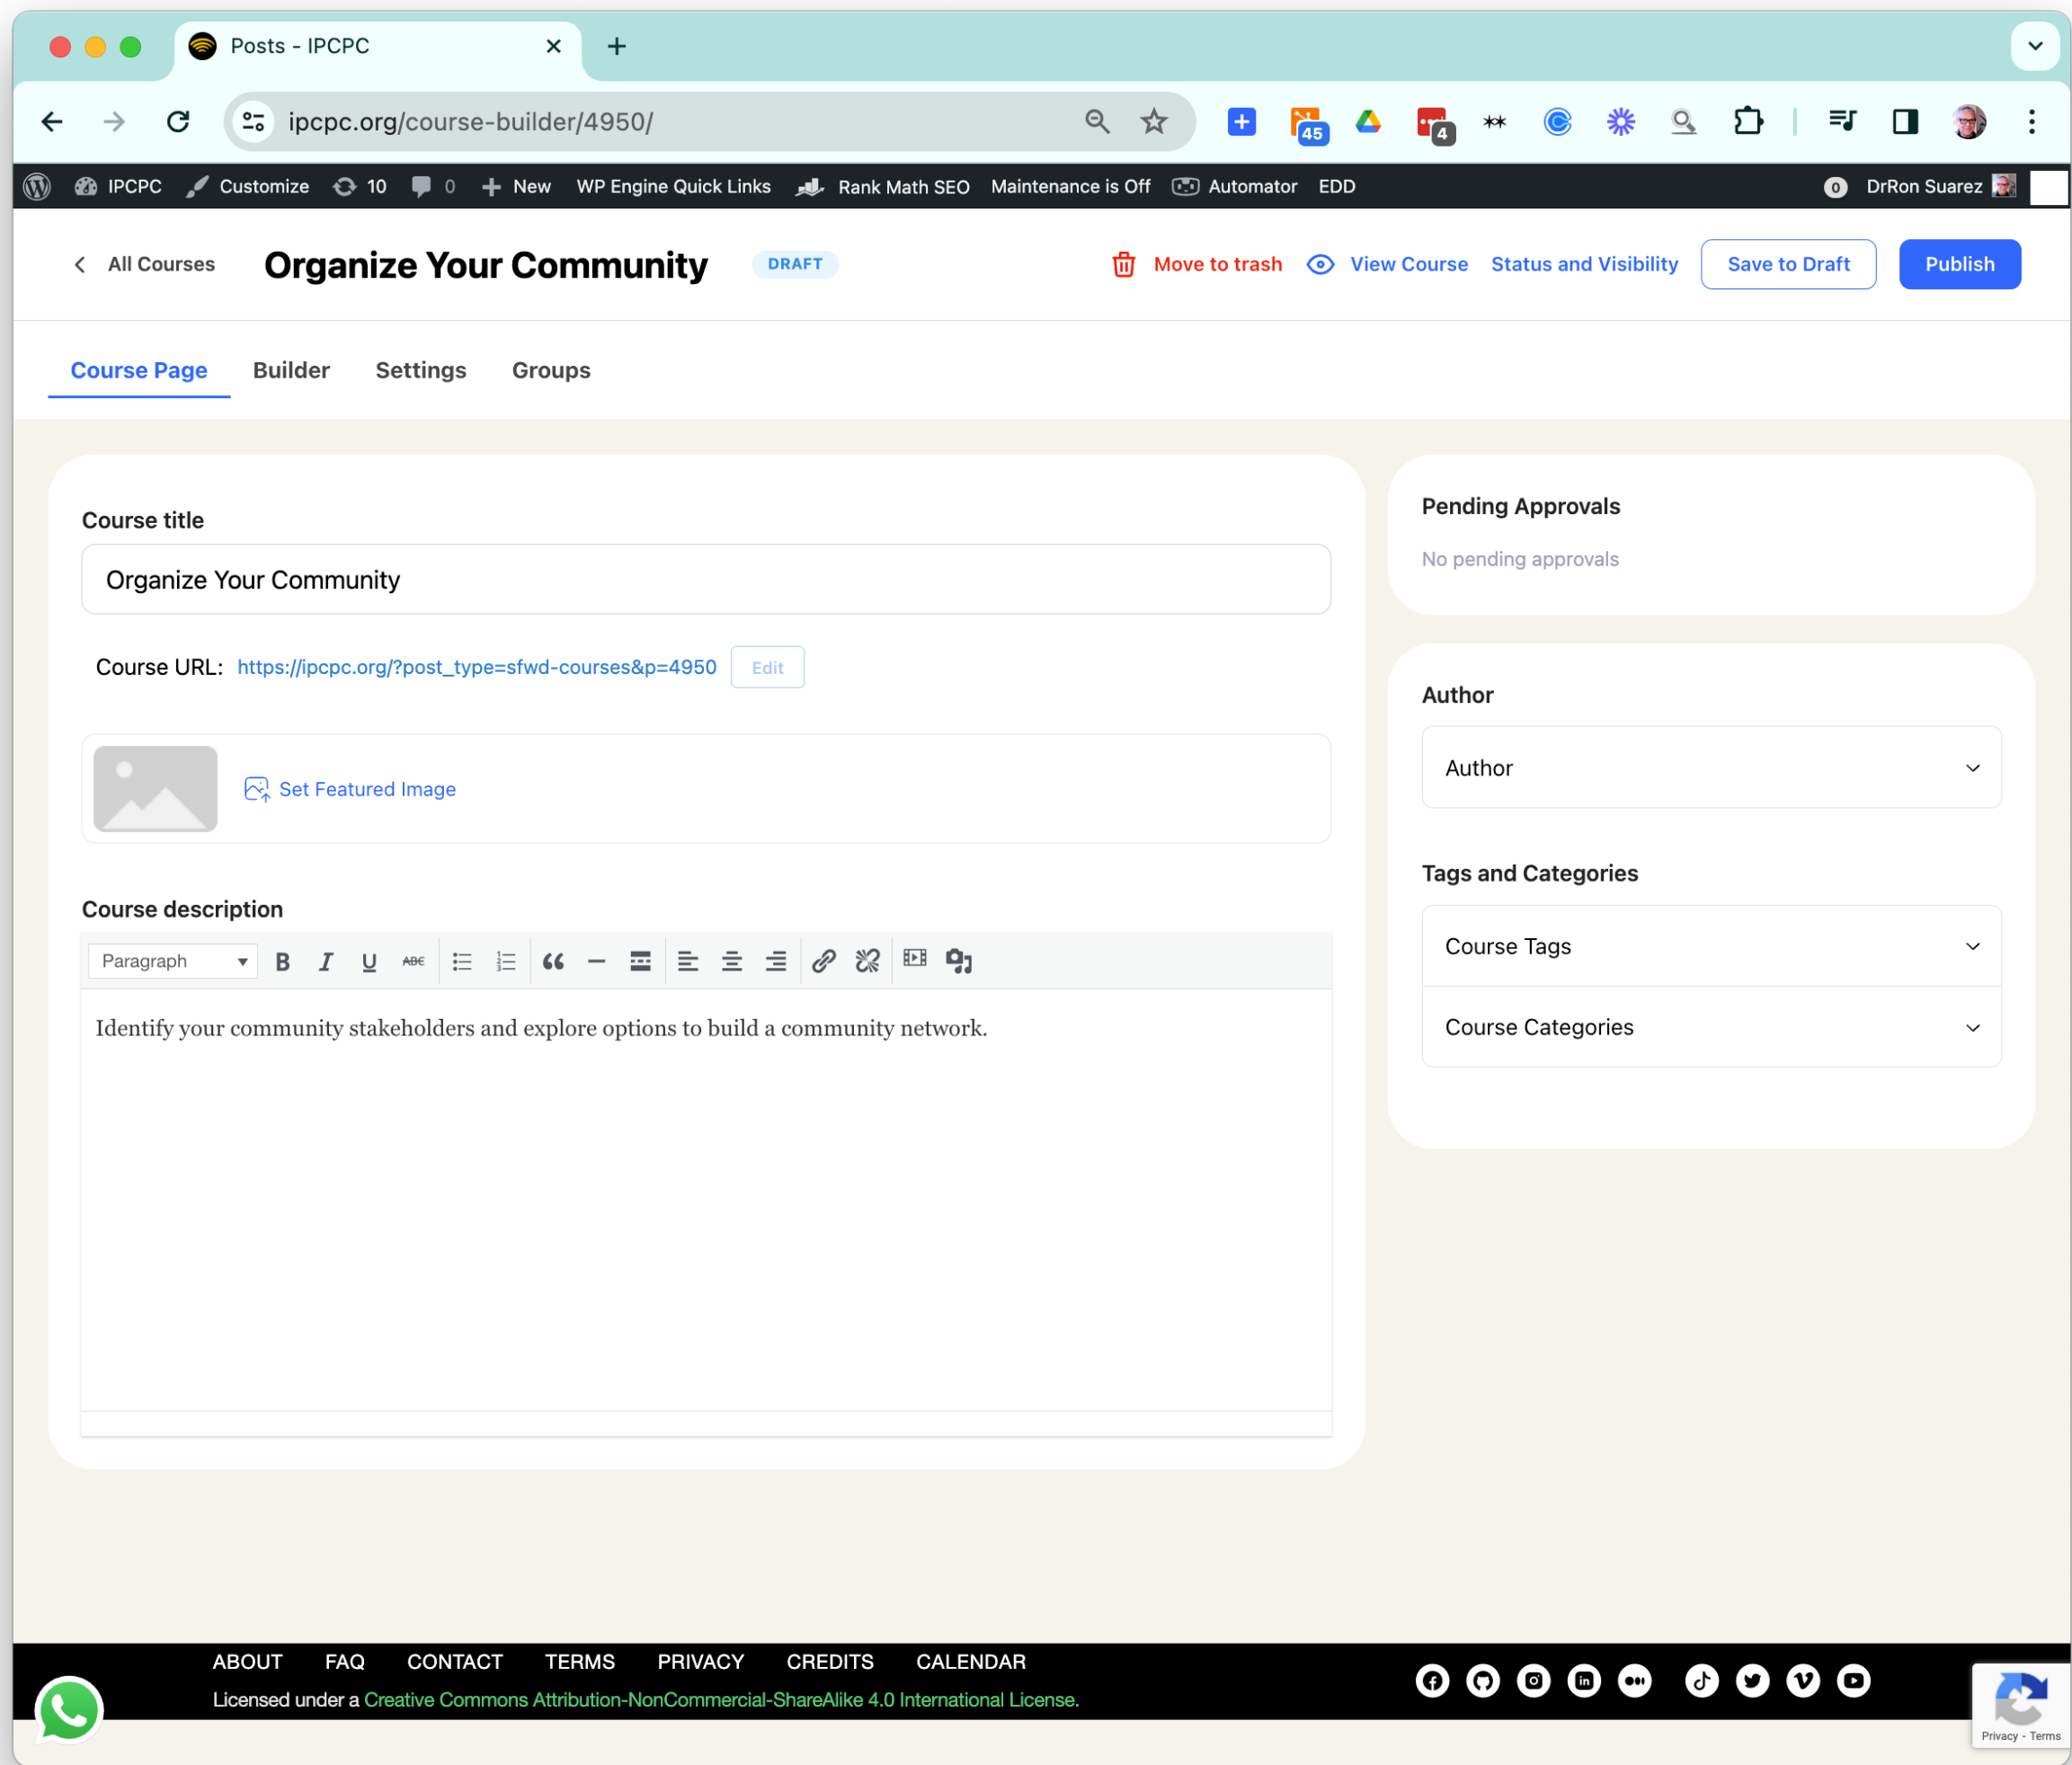

The logo for the Broadband Institute Foundation features two stylized houses in green. The house on the right has a yellow Wi-Fi signal icon above it, consisting of three curved lines radiating from a central point.

# BROADBAND INSTITUTE FOUNDATION

Let's focus on features enabled by integrating WISDMLABS:

- A plug-in to enhance LearnDash
- Editing courses in the front end
- Multiple instructors for a course

# Frontend Dashboard

Frontend Dashboard is a feature designed to provide instructors and administrators with a user-friendly interface on the frontend. It enables easy management of courses, quizzes, lessons, and other essential tasks **without the need to access the WordPress backend.**

# Instructor Role

Empower your **“Instructor”** user role on WordPress with restricted permissions, granting access solely to LearnDash-specific features for seamless course creation and management.
